Letter No. E. 204-761/40 dated 25th Dec 1941
Submits for Sanction his proposals in detail for placing on a permanent basis the present temporary Police and Forest Staff for the effective prevention of Smuggling of Sandalwood in the frontier areas of the State.

1) The present Police Staff for the prevention of Sandalwood Smuggling consists of one Sub Inspector, twelve Daffedars and forty six Constables. The period for which this temporary Staff was ordered to be continued was only for six months from 1st July 1941 (vide Pl. H), pending submission of proposals to make the Staff required a permanent one.

Pol 2-41 (1-2)

2) The Chief Conservator of Forests is of opinion that it is not necessary to continue the entire Staff referred to above permanently, but it would be enough, for reasons stated, to continue the Police

staff of only nine Daffedars and twenty Constables on a permanent basis, the rest of the staff being disbanded or otherwise absorbed.

3) In this connection, the Chief Conservator has proposed augmentation of the Forest staff also by making use of the funds to be released by the reduction in the police staff.

4) The file may therefore be referred to the Forest Section for note on the proposals of the Chief Conservator. The D.G.P may also be consulted on the proposals of the Chief Conservator.

duty according to which there are 3 Rangers 1 Forester & 4 Guards. The present proposal of the C.C.F. is to add 3 more Foresters & 6 more guards to the existing cadre and to make the whole cadre permanent. The I.G. of Police has similarly recommended the Police staff to be made permanent & the CCF is agreeable to the same but has recommended certain reductions as stated at para 2 supra. The recommendations of the CCF may perhaps be approved as it involves no extra cost. The IGP may perhaps be consulted also about the reduction proposed by the CCF as regards the Police staff.

Sir,

RE:- Allocation of the Police staff sanctioned for preventionof sandalwood smuggling in Kadur District.

In forwarding herewith a copy of letter No.A.C.1924/39 dated the 28th July 1942 on the above mentioned subject received from the Inspector General of Police in Mysore, I have the honour to state that as per allocation of the Police staff proposed in my letter No.E.204-761/40 dated the 25th December 1941 and approved in G.O.No.A.F.7246-8/Ft.160-41-7 dated the 26th June 1942, one Daffedar and two constables are to be stationed at Kalsa and two constables at Kotigehar. For reasons stated by the Inspector General of Police, he thinks that the daffedar sanctioned for Kalsa may well be shifted to Kotigehar In the circumstances, I have communicated my concurrence to the redistribution of the staff as brought about by the Inspector General of Police.

Letter No.AC.1924/39 dated the 28th July 1942 from the Inspector General of Police in Mysore, Bangalore to the Chief Conservatorof Forests in Mysore, Bangalore.

Re:- Sandalwood staff, Kadur District.

In continuation of my memo No.A.C.1924/39-40 dated the 4th July 1942, forwarding for information a copy of the allocation statement of the permanent addition to the police force, for the prevention of smuggling of sandalwood, I have the honour to state that as there is already a police Station at Kalasa, there does not appear to be any need for one Daffedar and two police constables. The District Superintendent of Police recommends that it is more advantageous to post the Daffedar sanctioned for Kalasa Station to Kotigehar where only two police constables have been posted. It is reported that necessary quarters have been constructed very recently for tis staff by your Department. As this does not involve any extra cost to Government, instructions have been issued to the District Superintendent of Police, approving of his suggestions. I trust this will have your concurrence.

Copy of Official Memorandum No.M.Pr.23-2/41-42 dated 18th February 1942, from the Conservator of Forests, Shimoga, to the Chief Conservator of Forests, Bangalore.

Review on the work of the Special Forest Staff employed on the prevention of Sandal smuggling in Shimoga Circle during the Quarter ending 31-12-1942.

Mr. K. R. Sreenivasa Iyengar, continued to be in charge of Koppa Section during the quarter. He was also entrusted to supervise the charcoal operations in Koppa centre meant for supply to the Mysore Iron and Steel Works, Bhadravati. Mr. Gulam Rasool, Range Officer, Thirthahalli Range was in charge of Agumbe Section till 5-10-1941 and Mr. B. H. Gulab Singh, from 6-10-1941 to 18-11-1941 when Mr. S. K. Nanjappa took charge of the Section and continued till the end of the quarter. Mr. T. Lakshminarasimhayya, Range Officer, Sorab, was in charge of Anavatti Section till 25-11-41, in addition to his own duties. Mr. H. Nagappa, Range Officer took charge of the Section on 26-11-1941 and continued till the end of the quarter. He was also entrusted with the charcoal works at Jog in addition to his own duties.

2. No new cases of theft of Sandalwood were detected in any of the three sections referred to above. As repeatedly observed, the Range Officers concerned should evince more interest in the detection of cases and show better progress at least in the next quarter.

3. There were no cases pending disposal at the beginning of the quarter in Agumbe and Koppa Sections. One case relating to Anavatti Section referred to in the previous review, is still pending. The District Forest Officer, Sagar, should see that the same is brought to disposal early.

4. The out-post inspected by the Special Duty Range Officers are noted below:-

Section.	Out-post inspected.
Koppa	Kere and Begar.
Anavatti	Telagadde
Agumbe	Agumbe and Begar.

20

5. The special duty Range Officers are reported to have frequently patrolled the foot-paths and other routes generally used by the smugglers with the aid of the Forest Guards and patrol police staff. The number of days toured out by each of these Range Officers is noted below:-

	Days.
Range Officer, Agumbe Section	44
Range Officer, Anavatti "	78
Range Officer, Koppa "	80

6. No new cases of injury to Sandal trees were detected by any of the special duty Range Officers during the quarter under review. The District Forest Officers should issue needful instructions to the Range Officers concerned for showing better progress during the next quarter. The three cases relating to Anavatti Section are still pending disposal, why these cases are still pending disposal is not clear either from the Range Officer's report or from the District Forest Officer's review.

7. One hundred and ninety six Sandal trees are reported to have been enumerated in Anavatti Section while this work has not been attendedto in the other two Sections. The District Forest Officer's attention is invited to the instructions contained in page 195 of the Forest Manual in this connection and they are requested to see that needful instructions are issued to the Range Officers concerned so that a large number of trees may be enumerated during the next quarter.

8. No Sandal oil stills were inspected either by the Range Officer, Agumbe Section or by the Range Officer, Anavatti Section, There are no Sandal oil stills in the jurisdiction of Koppa Section.

9. The stock and accounts of Gudigars' Co-operative Societies both at Sorab and Sagar were inspected by the Range Officer, Anavatti Section and particulars of transactions thereof are as noted -

Mr.K.R.Srinivasaiengar, on special duty continued to be in charge of the section during the quarter. In addition he was also entrusted to supervise the charcoal operations in Koppa Centre meant for supply to Mysore Iron and Steel Works, Bhadravati.

There were no cases pending at the beginning of the quarter. No new cases of sandal theft were detected during the quarter. The progress made in the detection of cases in his jurisdiction from last four quarters is not satisfactory. The should try to show better progress during the next quarter at least.

It is reported that there are no stills in the jursdiction of Koppa Range.

No sandal damage cases were detected during the quarter by the Sandal Patrol duty staff.

It is reported that all the out posts could not be inspected, but only two out posts,- Kere and Begar-were inspected during the quarter. The patrolling of sandal areas with the help of the Police staff was done by the staff and kept watch over the movements of suspected persons.

The Range Officer, has not attened to sandal enumeration work during the quarter. He should attend to this important work and see that a large number of trees is enuerated during the next quarter at least.

The relationship between the sandal patrol Police and Forest staff continued to be cordial.

OFFICIAL MEMORANDUM.

Review on the progress Report of Work done by the Special Staff employed on the detection and prevention of Sandalwood smuggling in the Western Frontier of Sagar Division during the Quarter ending 31st December 1941.

During the Quarter under Report Mr. T. Laxminarasimahaya, Range Forest Officer was in charge of this Special Duty till 25-11-1941 and Mr. H. Nagappa, Range Forest Officer from 26-11-1941 to the end of the Quarter. The former was in addition to Range charge of the Sorab Range, and the latter was entrusted with the charcoal works in Jog in addition to the Sandal Patrol duty, during the period.

No cases were pending at the beginning of the quarter, but final report in Basur case, as already stated in my last report is still pending. The same will be obtained from the Range Officer and submitted in due course. There were no cases reported during the quarter.

The lack of progress in detection of cases is due to the holding of more than one charge by both the Range Officers, placed in charge of this duty. Any how the concerned Range Officer is instructed to be more vigilent and show good progress.

The Range Officer Mr. H. Nagappa has inspected the Outpost at Telgadde and Gudigar Societies of Sagar and Sorab and Sandal purchased from Mr. Lakshminarayanappa of Sorab, in addition to enumeration of 196 Sandal trees.

The result of checking of Gudigar Societies is furnished in the Range Officer's report, copy of which is enclosed for kind perusal.

He could not inspect other Out Posts and stills in South Canara as he was in additional charge of Jog Charcoal works.

2. Sagar.	212- 30 tolas.	344 Lbs.	556-30.	324-30.	232.

3. Private. Stock of Mr. S. Lakshminarnappa, Gudigar, Sorab. A private concern with 5 people working under him.	Cwts. 0- 56 Lbs. Bangalore Koti. " 3- 98 " Shimoga Koti. ---------- Total.4- 42. Issues.2-32.	Balance Cwts.2- 10.

N.B.

Issues in Sorab Society during the quarter ending September 1941 were 995 Lbs. and not 955 lbs. as reported by scriptory error then.

General.

Plenty of dry Sandal trees of smaller girths namely about one foot are found all over. The tender contractors do not find to evince much interest to exploit such trees for transport to the Koti, since very litte heartwood will be contained therein. Special arrangement must be made for the economic utilisation of such trees of smaller girths by sanction of a special rate.

The services of a special additional staff of an enumerator and two coolies are necessary to undertake the enumeration of such these sandal trees to each of the Ranges of Sorab, Sagar, Hosanagar and Shikarpur Taluks, for the entire valuation in the private lands and Government areas.

Review on the Progress made by the Sandal Patrol Duty staff Eastern Frontier, Kolar Section for the 2nd quarter ending 31st December 1941.

K.Srinivasa Rao Sindhe, Forester continued in charge of the Sandal Patrol Duty staff during the quarter.

The police out-posts at Doddaponnandahalli and Seethampalli were visited by him during the quarter. He has patrolled the frontiers of Kysamballi, Kamasandra and Budikote Hoblies in Bowringpet taluk and Berki frontier of Malur Taluk. No smuggling cases were detected. It is understood that the previous culprits have taken up peaceful living by means of agricultural works. The forester has detected two sandal damage cases in the later part of the quarter in Malur taluk and the records have been sent on to the Range Forest Officer, Malur Range for investigation and submission of the same for taking up further needful action. No smuggling cases are detected by any of the police out-posts of the eastern Frontier during the quarter. The Forester reports that one sandal damage case has been detected and the records are sent to the Range Forest Officer, Malur by the Duffedar of Seethampalli out-post through the Sub Inspector of Police Kamasandra and the Range Forest Officer is reminded to submit the connected records early for needful action being taken.

It is reported by the Forester that the Police staff in the out-post of Doddaponnandahalli and Seethampalli are attending to other works also in addition to the Sandal patrol work. The undersigned suggests that it is better if the police staff is put exclusively for the sandal patrol work.

In addition to the patrolling work, he has enumerated 3847 sandal trees in the frontier villages of Masti and Lakkur Hoblies of Malur taluk as against 2585 trees in the previous quarter and the statement showing the above information is appended for favour of perusal.

K.Srinivasa Rao 31.1.42

District Forest Officer,
Kolar District.

Quarterly progress Report of K.Srinivasa Rao Sindhe, Forester Sandal Patrol Duty, Eastern Frontier, Kolar for the quarter ending 31st December 1941.

The undersigned continued to be in charge of Sandal Patrol Duty in the Eastern Frontier of Kolar during the above quarter except 14 days on casual and X Mas leave.

During the quarter the undersigned has patrolled in the Frontiers of Tailur Hobli in Mulbagal taluk and in the frontiers of Kysamballi, Kamasandra, Budikote Hoblies in Bowringpet Frontier of Malur Taluk.

Neither sandal smuggling cases nor the attempts for smuggling from the old culprits in the frontiers could be noticed by the undersigned during the course of patrolling. It is learnt that the previous convicts towards Kamasandra frontier have taken up to peaceful living by means of agricultural works.

The undersigned has detected two fresh sandal damage cases in Lakkur Hobli i.e. case No.8/41-42 against one Nallappa of Akannya village on 16-12-41 and case No.9/41-42 dated 16th December 41 against Gummareddy of the same village Sandalwood Constable No.419 of Masthi was also present during the time of detection of these cases.

The undersigned visited Police Out posts of Doddappanadapalli on 15-11-41 and Seethampalli on 22-12-41. No sandal smuggling cases were reported from these out post stations. In both the Police Stations the Police staff are attending to their legitimate Police duties in addition to sandal patrolling work.

It is learnt from the Register of Sandal damage maintaimed in the Seethampalli station that a sandal damage case was reported against one shanbhogue Lingappa of Hulkur to the Range Forest Officer, Malur Range through the Sub Inspector of Police of Bethamangala station. No visiting Register is maintained in Doddapandahalli Out Post to note

the presence of Forest Offices to the Station. An Exercise Note Book is maintained in Seethampalli Out Post to note the visit of the Forest Officers.

In addition to the patrolling work the undersigned has enumerated 3847 sandal trees in the frontier villages of Masthi and Lakkur Hobbies in Malur taluk as against 2585 trees in the previous quarter.

The village war and classwar statement is enclosed to the report.

SIR,

Re:- Forest and Police Temporary staff for the prevention of Sandalwood smuggling on the Western and Eastern frontiers of the State.

Adverting to the marginally noted Government Orders sanctioning continuance of the above mentioned staff till the end of June 1942, I have the honour to forward herewith a copy of letter No.Ac.1924/39-40 dated 9th instant received from the Inspector General of Police in Mysore, to state that orders of Government in the matter of making this staff permanent which is dealt with in the correspondence ending with my letter No.E.204-761/40 dated 25th March 1942 addressed to you, have not yet been received and that if they are not issued before the end of this month, it will be necessary to continue the existing temporary staff beyond 30th June 1942. In the circumstances I request that orders of Government may be kindly communicated for continuing the existing temporary staff from 1st July 1942 and till Government pass final orders about making it permanent.

Continuance of the temporary Police staff for the Prosecution of Sandalwood smuggling.

In inviting kind reference to Government Order No.P.5167-69 Pol. 193-41-2 dated the 13th May 1942 sanctioning the continuance of the staff till the end of June 1942, I have the honour to request you to kindly intimate if final orders of Government have been received in the matter and whether pending the receipt of orders, the staff may continue from 1st July 1942.

terms for without reciprocal co-operation in the different spheres of activities between the two staffs, an effective check over clandestine removals would be impossible. The proposals herewith submitted are howeverbased mainly on the above principle of distribution of work between the two establishments.

3. As officers of the Police Department are proposed to be mainly engaged for exervising an effective check on clandestine transit across the frontier, it does not appear to be necessary to continue the entire staff of One Sub Inspector, 12 Daffedars and 46 Constables now engaged. It would be enough if all the main routes leading to the frontier through Sandal zones are watched and controlled by them and I accordingly propose that a staff of 9 Daffedars and 20 Constables may be continued to be attached to the several places mentioned in the accompanying statement No.3. The rest of the staff may be disbanded or otherwise absorbed.

As per details furnished by the Inspector General of Police (vide statement No.1 enclosed) Rs.1,600/- per mensem is the cost of the existing Police staff which is debited to the Forest Budget. The modified proposal as above involves an expenditure of Rs.710/- resulting in a savings of Rs.890/- per mensem.

4. The Forest staff employed on periodical inspection of the Sandal Oil stills situated in South Canara, detection of Sandal damage cases and patrol of Forest areas for prevention of irregular fellings etc., consists of 3 Rangers, 1 Forester and 4 Forest Guards. For an effective patrol of the wide belt of Sandal forests running along the Western frontier particularly of the Kadur and Shimoga Districts and of the forests adjoining the Eastern frontier in the Bangalore and Kolar Districts, the present staff is inadequate. In the interests of protection, it is necessary that the strength of the Forest Staff should be augumented by 3 Foresters and 6 Guards at least in order to maintain an efficient system of continuous patrol of all important sandal zones along the fontier. This additional staff will involve an expenditure of Rs.307 1/3 monthly as per details given

GOVT. OF MYSORE

SIR,

Adverting to Government Order No. P.264-6/Pol. 2-41-2 dated 18th July 1941 sanctioning my recommendation to continue the marginal noted police staff on a temporary basis for six months from 1st July 1941 pending submission of proposals regarding their continuance on a permanent basis as recommended by the Inspector General of Police in Mysore, I have the honour to submit herewith detailed proposals for placing present temporary Police and Forest staff on a permanent footing for favour of consideration and orders.

1. One Sub Inspector
2. Twelve Daffedars.
3. Forty six Constables.

2. The Patrol of the Frontier areas for an effective prevention of smuggling of Sandalwood has been in force for the last seventeen years and as a result of experience gathered during this long period it has to be stated that the services of police officers are very necessary for preventing clandestine transit over the main routes leading to the frontier through Sandal zones. Generally speaking, smuggling is confined to removals of Sandal billets hidden in laden carts and lorries that ply across the frontier ostensibly engaged in carrying on a legitimate trade in agricultural produce.

On the other hand prevention of damage to trees, illicit fellings etc., in Forests, and removals on head loads through Forest areas required a constant patrol of all Sandal areas within a wide belt along the frontier, a type of work which is within the province of a Forest Officer. It is not the intention to define the duties and functions of the Forest and Police staff in such clear cut terms

3 Foresters 6 guards.

given hereunder:-

(i) Two Foresters on Rs.35-2-45.

(ii) One Forester on Rs.20-3/2-35.

(iii) Allowance to the three Foresters at Rs.10/- each.

(iv) Six Forest Guards at Rs.15/- each.

(v) Travelling Allowance to the Foresters at Rs.15/- each.

(vi) Travelling Allowance to the Guards at Rs.5/- each.

NOTE.- One Forester and two Guards will be allocated for duty in each of the three following centres:-

(1) Bangalore District.

(2) Kadur District.-
(a) Samse.
(b) Kere.

The distribution of the existing strength of 3 Range Officers, 1 Forester and 4 Guards will remain as heretofore.

With the above additional staff it will be possible to cover in its entirety the entire important Sandal zones subject to the depredations of smugglers.

The expenditure which the employment of the additional staff referred to above involves can be met out of the savings to be effected by curtailing the existing strength of the police staff.

The expenditure now being incurred on Sandal Patrol Duty is as follows:-

(a) Police Department (by debit to Sandal extraction charges).	Rs.19,200/- (p.a.)
(b) Forest Department Establishment.	Rs. 5,900/- (p.a.)

The proposals herewith submitted involve an expenditure of Rs.18,108/- per annum resulting in a net savings of Rs.6,992/- per annum.

5. Regarding the continuance of the Police staff on a permanent basis as opined by the Inspector General of Police in his letter to Government which was forwarded to you with my letter No.E.204-761/40 dated 5-7-1941, I have to state that so long as Sandalwood remains the exclusive property of Government and restrictions on the posses-

possession of Sandalwood by private people similar to those in force in the State are not imposed by neighbouring provinces, it is imperative that a separate organisation to prevent malpractices should be employed. The staff employed all these years on a temporary basis has stood the test of time very well and as such no useful purpose will be served by its continuance on temporary basis any longer. Agreeing with the Inspector General of Police I recommend that out of the existing police staff sanctioned in Government Order No.P.264-6/Pol. 2-41-2 dated 18-7-1941, 9 Daffedars and 20 Constables may be continued on a perament basis from 1st January 1942 onwards. Further I recommend that the additional Forest Staff proposed in the previous para may be also kindly sanctioned on a permanent basis and that the Forest staff sanctioned till the end of June 1942 as per Government Order No.AF. 786-4/Ft. 207-40-2 dated the 25th April 1941 also made permanent. I request that orders of Government sanctioning my proposals as above may be kindly obtained and communicated to me early.

I have the honour to be,
Sir,
Your most obedient servant,

SIR,

RE:- Making permanent the Forest and Police staffs employed for the prevention of sandalwood smuggling.

With reference to your letter No.A.F.4017/Ft.dated the 10th ultimo enquiring in connection with the above mentioned subject, as to how the sandal patrol work in Bangalore and Kadur Districts was being attended to till now and how the existing Forest Staff is distributed and in what places, I have the honour to state that the proposals submitted with my letter No.E.204-761-40 dated 25-12-41 are not for entertaining additional patrol staff but only for replacing a part of the police establishment by forest staff. At present, the duties connected with prevention of sandal smuggling in the marginally noted centres are being attended to by police staff but as the duties required of the staff in these centres consist mostly of intensive patrol of the forests along the frontier it is considered that specially trained forest staff would be better able to attend to them.
